Turn any Photo into a Painted Work of Art with a

PhotoArt Kit

We take your

Original Photograph

(Print or electronic image file)

The image is transformed with
a patent pending process to generate a

PhotoArt Kit

The kit includes canvas,
artist quality paints,
brush, and instructions.

FIG. 8A

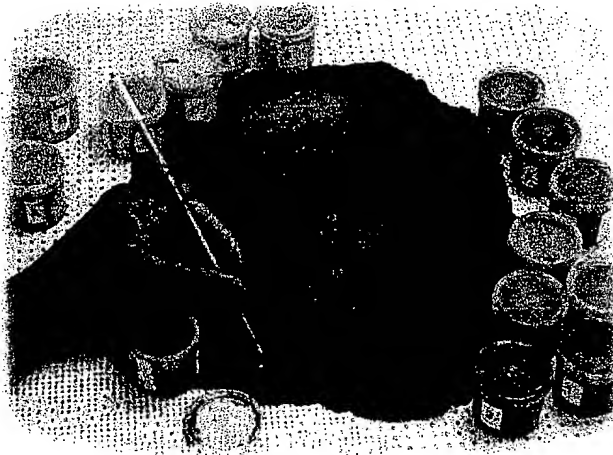

FIG. 8B

You can create your own

Painted Work of Art

Ready to mount, frame
and display.

PhotoArt Kit

No one will believe you painted it yourself!

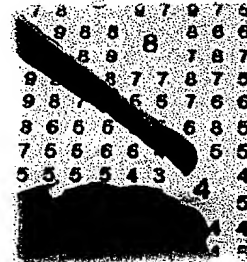

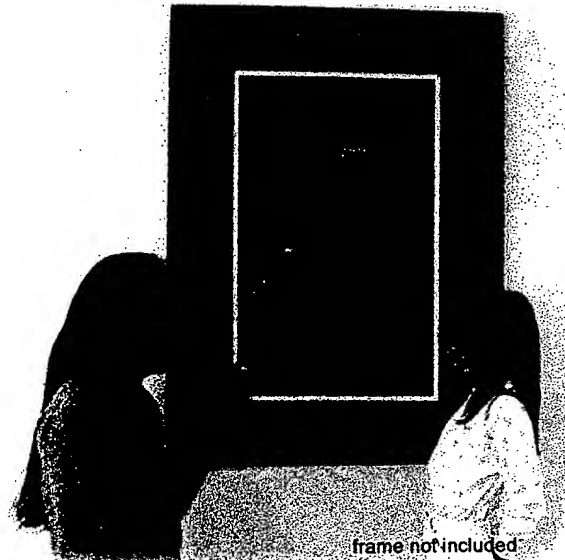

FIG. 8C

Its easy! All you do is match the
symbol on the paint container with
the symbol on the canvas, and dab
that symbol with paint.

frame not included
